RESIDENT DINING SOLUTION
SYSTEM REQUIREMENTS

Operating System	• Microsoft® Windows® 10 or later • Apple® OS X 12 or later • Apple® iOS and iPadOS 17 or later
Browser	• Google Chrome® Version: 123+ *(Recommended for best user experience)* • Microsoft Edge® Version: 123+ • Safari® Version: 17+

Regardless of the computer or mobile operating system, most recent versions of Google Chrome® or Microsoft Edge® will work with RDS.

For the best user experience, Google Chrome® is the recommended and preferred browser. To download Chrome®, visit www.google.com/chrome. Follow the on-screen installation instructions.

To find your current Chrome® browser version number, open Chrome® on your computer. Click on the More icon in the upper right corner of the screen. Click on Help and then About Google Chrome®.

Please contact Common CENTS Solutions before purchasing or upgrading your operating system to ensure you have the current minimum system requirements.
